LIFE-GIVING

Add COLOR

TO MOVIE SCENES AND TITLES

It's Easy

TO TINT YOUR B. & W. TITLES FOR SPLICING INTO COLOR REELS

MANSFIELD

FOTOTINTS

45¢ Per Bottle ANY COLOR

Your movies will have new life . . . will sparkle with added interest . . . when titles and scenes are tinted with Mansfield FotoTintS. FotoTintS are remarkably easy to use. All you do is shake several drops into water . . . immerse film in the solution for a couple of minutes . . . rinse and dry the film.

FotoTintS come in 6 colors: Fire Red, Sapphire Blue, Amber Brown, Royal Purple, Emerald Green, Sunlit Yellow. Innumerable in-between hues are obtainable by mixing. **Ask Your Dealer for FotoTintS.** (Or send coupon for further details.)
